

**TOWN OF NEW LONDON
CONSERVATION COMMISSION
JANUARY 3, 2006
SUBCOMMITTEE MEETING MINUTES**

A special site visit was scheduled to view the proposed driveway relocation and new garage plan on the Thomas property (TAX MAP 103-LOT 18)

PRESENT Laura Alexander, Dan Allen, Dale Conley, Bob Crane, Emma Crane, Terry Dancy, Vickie Koran, Les Norman, Peter Stanley, Ruth White

The NLCC met in a special session with Peter Blakeman and Mr. and Mrs. Thomas to discuss the proposed location of their driveway. We are particularly concerned ,as always, with wetlands that have a potential runoff into major bodies of water. The entire board felt the site visit very helpful and discussion will continue at our regular meeting at 1 PM on January 18th.
