

The Hiking Challenge

The NLCC is issuing a challenge, to all the hikers who live in or visit this area, to walk the Commission's 30+ miles of trails and earn a trail patch.

Details and maps for each of the trails can be found on the NLCC web site:

www.nl-nhcc.com

NLCC trail maps are available for purchase at the New London Town Offices, Morgan Hill Book Store, Village Sports, and Lake Sunapee Region Chamber of Commerce Information Booth. These are all located on Main Street in New London, NH.

To receive a patch, hike the trails and fill out the Trail Walk form, then return it to the New London Town Offices.

Patches are awarded at the May and October meetings of the NLCC.
